Good morning Marilyn:

Have a question regarding your answer below. Adventist Health doesn't own the Hospital, they are the leasee and Mendocino Coast Hospital District is the lessor as they are the true owners of the Hospital. Adventist only really manages the facility. Does that change the CMS answer.

Thanks and take care my friend. Have a wonderful day.

Derek,

Nick asked me about your question below.

CMS changed the rules many years ago and I confirmed with management that this is correct.

The check goes to whoever is the current owner of the hospital. It is up to the new owner to work it out with the old owner.

This may be an obstacle if the old owner does not have a good working relationship with the new owner, however, CMS has determined that our contract is with the hospital and that is who will receive the check.

Thanks a million Nick:

I'll check with Judy at the Hospital today and ensure you have the correct current contract for your system. My question is, can CMS only send the final settlement check to the CMS system contact who is in place right now even if the funds don't belong to that party. The current Hospital contact is a Adventist employee, but the funds pertain to the Mendocino Coast Hospital District who this FYE June 30, 2020 Medicare cost report pertains to. My fear and the District's is that the check will go to Adventist, then we will have to battle to get the funds that are really ours. Kind of a little mess.

Can't thank you enough for working with me on this audit. Thanks for everything my friend, very much appreciated.

Hi Derek, we will make sure to include you and Sara when the NPR is sent. The attached shows the contact person for the hospital we have in our database. Can you confirm if this contact person is correct and if not, please provide the correct contact information so we can update our system?

Thank you

Good morning Nick:

Hope all is going great on this Monday morning. When it comes time to issue the Mendocino Coast District Hospital's final audited NPR regarding the FYE June 30, 2020, please email Ms. Sara Spring (her email address is presented above) and myself a copy of the NPR. Ms. Spring has taken over for Jade Tippett regarding this matter. Ms. Spring is the Mendocino Coast District Treasurer. Also, you may have provided Jade this information, but how would we (the Hospital District) get the final settlement check sent to Ms. Spring and NOT the Hospital itself since Adventist Healthcare who manages the Hospital now is not entitled to these funds.

Thanks, take care and have a wonderful day my friend.
